2005 REUNION

We have had a very successful Reunion 2005 at Camp Winthers. Many were there with their families that attended last year and there were several others that were there for the first time including Mike Frerichs and family, Helen Sgheiza and her daughter, and Jo Roy. Attached you will find one of the group pictures taken late Saturday afternoon. I will get pictures taken at the reunion posted to the website in the next few weeks.

JONI'S SCRAPBOOK

Joni (Hensley) DeCroix provided a large number of pictures scanned from her numerous photo albums and I have placed many of them on the web in the El Camino area. The new Page is called "Hensley Scrapbook"- just navigate to:

www.calcadetcorps.org/hensley_scrapbook.htm

Cadets in many of the pictures are not identified – If you can ID any them, please send me the picture number and the names and or activities involved. I will add them to the picture caption.

MIKE FRERICHS' PICTURES

Mike Frerichs also provided some interesting material including a photo of a very young Paul Krumhaus - you can see them at:

www.calcadetcorps.org/mike_frerichs'_scrapbook.htm

MISSING CADETS PAGE

Also, please take some time and visit our updated Missing Cadets page and send me additional names and or missing information. Just navigate to www.calcadetcorps.org/missing.htm . You can even download the entire list as an Adobe Acrobat file. If we can increase the number of names of Cadets on this page, chances are good that we will be able to find many more old friends. Once the page is indexed by Google, the missing Cadets listed on it will be able to find our reunion web site if they only perform a search for their name and or school. Even if you can only provide a few new entries (name, school, and graduation year) of Cadets you knew, it will help. When you send me this information, I will post them to the web site. Can we get a thousand names by Christmas? With your help, we can!

NEWSLETTER SUBMISSIONS

You are also invited to submit material for the next California Cadet Corps Alumni Newsletter that will be published in November. We all had great fun at the 2005 Reunion – will you be at the next one?

I look forward to hearing from you.
